

Jefferson Soil and Water Conservation District

SPECIFICATIONS FOR LIMESTONE

GENERAL SPECIFICATIONS:

1. Bid prices submitted must be good from November 5, 2024 thru March 31, 2025
2. All materials to be bid F.O.B. Plant (Location of plant must be placed on the bid sheet)
3. Material must be available for pick up by Jefferson Soil and Water (JSWCD) and its contractors on week days from 8:00 am through 4:00 pm without any advance notice from the JSWCD or its contractor.
4. All material must meet the approval of the JSWCD and/or their authorized personnel.
5. Product for the contract period shall be awarded to the bidder, which has the lowest net price/ton for the particular project.
6. The bid shall be awarded to the bidder which has the lowest net price per ton for the current period. Lowest net price shall be ascertained by adding the freight factor to each bidder's price for the selected material. The freight factor shall be determined by multiplying a mileage rate of \$5.20 per mile (Based on 15-ton load at \$0.37/ton/mile) for the round trip road distance from the respective bidder's plant to the project site.
7. In the event the low bidder is unable to supply, at its place of business for the project where it is the successful bidder, the quantities needed by JSWCD on any given weekday, the County shall have the option of purchasing the same material from another supplier.
8. In the event the low bidder is unable to supply the material in conformance with JSWCD specifications, JSWCD shall have the option of purchasing its need from another supplier until such time that the material does meet specifications.
9. Bids must be submitted in a sealed envelope marked "LIMESTONE BID" to Jefferson Soil and Water Conservation District 500 Market Street Mezzanine Suite 4 Steubenville, Ohio 43952. Bids must be submitted prior to bid opening on November 4, 2024 at 3pm.
